The Southeast Alaska Power Agency (SEAPA) is advertising for the position of **Temporary Brushing Technician/Laborer**. Base location is Ketchikan or Wrangell, Alaska with work not to exceed (6) months. Work is performed as required along SEAPA's power line right-of-way corridor, with some prep and other work as required at other SEAPA-owned facilities. Majority of the work is conducted in remote wilderness locations, with minimal support. Crew typically overnights in the field on a purpose-built landing craft or in a portable shelter. Position requires a broad range of experience, skills, and clear demonstration of the ability to successfully perform essential duties and responsibilities. Qualifications for the position include a High School Diploma and valid Alaska driver's license. The position is open until filled. A complete job description and the electronic application process are available online at:

<https://seapahydro.applicantpro.com/>

SEAPA is an Equal Opportunity Employer.

PLANNING AND ZONING COMMISSION NOTICE OF PUBLIC HEARING

Notice is hereby given that the Petersburg Planning and Zoning Commission, on May 8, 2018 at 12:00 pm, will be holding a meeting and conducting a public hearing in the Assembly Chambers located at 12 South Nordic Drive. The purpose of the public hearing is to receive public comment on the following:

- A. An application from the Petersburg Indian Association for a variance from outdoor sign regulations at 15 N 12th Street (PID#: 01-006-312). The variance would allow for installation of a flashing/animated sign.
- B. An application from David & Stephanie Owens for a special use permit to allow fill to be placed within the undeveloped portion of the Rambler Street right-of-way at 600 Odin Street (PID#: 01-010-165).

Interested persons desiring to present their views on the request, either in writing or verbally, will be given the opportunity to be heard during the above mentioned hearing. Written suggestions or objections to the provisions of said requests may be filed with the Community & Economic Development Department at or before such meeting and will be heard by the Petersburg Planning and Zoning Commission at the time and place specified. Said hearings may be continued from time to time as necessary.

Please keep the poles clear

Sure, we enjoy yard sales, concerts and other things that we find advertised on posters nailed or stapled to our power poles.

However, a left-behind nail can cause a lineman's climbing hooks to cut out of a pole so that he falls; a staple can snag a lineman's protective gloves so that he could be electrocuted.

Please help keep our linemen safe. Don't post signs on the power poles.
