

DID YOU KNOW...

Petersburg Borough received a Grant to purchase and install two (2) Tsunami / All-Hazard Warning Sirens?

Be on the lookout for the 2 new sirens in the community. One siren will be located at the Mort Fryer Ballfield and one will be located in the Bay View Estates area.

Installation and testing will occur between March 15 and March 21, 2018. Please stay clear of the areas.

Did you hear something? That's just us testing the sirens to ensure they are working properly.

This project was made possible with funds for the 2016 NOAA Tsunami Hazard Mitigation Program through the State of Alaska Division of Homeland Security and Emergency Management / U.S. Department of Commerce National Oceanic and Atmospheric Administration.
