**Public Notice**

**OPPORTUNITY TO OBJECT  
SOUTH FORK SAGINAW CREEK RESTORATION PROJECT**

The South Fork Saginaw Creek Restoration draft Decision Notice was completed and mailed out on May 17, 2017 to those who previously requested to be included on the project mailing list or submitted specific written comments related to the project. The South Fork Saginaw Creek Restoration project proposes to implement instream and floodplain restoration on approximately 0.6 miles of South Fork Saginaw Creek and 0.4 miles of Shorty Creek, a tributary of Rowan Creek. Both are anadromous fish streams located in the Saginaw Creek and Rowan Bay watersheds on Kuiu Island near Kake, Alaska. The project goal is to improve current stream channel and floodplain habitat conditions along portions of these streams are degraded as a result of floodplain tree harvest and road building activity. The Responsible Official for this project is David Zimmerman, Petersburg District Ranger. A copy of the EA, the draft Decision Notice, and additional information regarding this proposed project can be obtained on the project website (<http://www.fs.usda.gov/project/?project=49992>) or from:

The draft Decision Notice is subject to a pre-decisional administrative review (objection) pursuant to 36 CFR 218, Subparts A and B.

Objections will be accepted only from those who previously submitted timely, specific written comments regarding the proposed project either during scoping or other designated opportunity for public comment in accordance with 36 CFR 218.5(a). Issues raised in objections must be based on previously submitted timely, specific written comments regarding the proposed project unless based on new information arising after designated public comment opportunities (36 CFR 218.8(c)).

Individual members of organizations must have submitted their own comments to be eligible to object; objections received on behalf of an organization are considered those of the organization only. If an objection is submitted on behalf of a number of individuals or organizations, each individual or organization listed must meet the eligibility requirements (36 CFR 218.5(d)). Names and addresses of objectors will become part of the public record.

The Reviewing Officer is Earl Stewart, Tongass Forest Supervisor. Objections must be sent to:

Earl Stewart, Reviewing Officer  
Tongass Supervisors Office  
Federal Building  
648 Mission Street  
Ketchikan, Alaska 99901  
Fax: 907-228-6301

Email: [objections-alaska-tongass@fs.fed.us](mailto:objections-alaska-tongass@fs.fed.us)

Written objections, including any attachments, must be filed (regular mail, fax, email, hand-delivery, or express delivery) with the Reviewing Officer within 45 days following the publication date of this legal notice in the newspaper of record. The office business hours for those submitting hand-delivered objections are 8 am to 4:30 pm, Monday through Friday, excluding holidays. Electronic objections must be submitted in a format compatible with the current version of MS Word. It is the responsibility of objectors to ensure their objection is received in a timely manner (36 CFR 218.9).

The publication date in the Petersburg Pilot, the newspaper of record, is the exclusive means for calculating the time to file an objection of this project. Those wishing to object to this proposed project should not rely upon dates or timeframe information provided by any other source.
