OPPORTUNITY TO COMMENT CENTRAL TONGASS PROJECT

The Tongass National Forest is preparing an Environmental Impact Statement (EIS) for the Central Tongass (CT) Project. The purpose of the CT Project is to meet multiple resource goals and objectives identified in the 2016 Tongass Land and Resource Management Plan (Forest Plan) using an integrated approach. Some of the project area needs include improving forest ecosystem health, supporting community resilience through economic development opportunities within Southeast Alaska communities, providing sustainable recreation opportunities to local visitors and the tourism industry, and offering a variety of wood products to regional mills and local communities. The Forest Service incorporated public input into the design of the CT Proposed Action and is now seeking additional public feedback.

Information about the proposed project, including a scoping letter, maps and draft activity cards, is available for review online <https://www.fs.usda.gov/detail/tongass/landmanagement/projects/?cid=fseprd568085> and at the Petersburg and Wrangell Ranger District offices. Additional information regarding this project can be obtained from:

Carey Case

Central Tongass Project Leader, Petersburg Ranger District, 907-772-3871, ccase@fs.fed.us

Written comments on the Proposed Action will be accepted for 45 days following the date of publication of the Notice of Intent (NOI) in the Federal Register. The publication date in the Federal Register is the exclusive means for calculating the comment period. Those wishing to comment should not rely upon dates or timeframe information provided by any other source. If the comment period ends on a Saturday, Sunday, or Federal holiday, comments will be accepted until the end of the next Federal working day (11:59 p.m.).

The CT Project is an activity implementing a land management plan and is subject to 36 CFR 218, Subparts A and B. Only individuals or entities who submit timely and specific written comments about this proposed project or activity during this or another public comment period established by the Responsible Official will be eligible to file an objection. Persons submitting comments must provide the following information: name and address; title of the proposed project; specific written comments; and signature or other verification of identity upon request. Other requirements to be eligible to submit an objection are listed at 36 CFR 218.25(a)(3). Individual members of an entity must submit their own comments in order to have eligibility to object as an individual. It is the responsibility of the sender to ensure timely receipt of any comments submitted. Names and contact information submitted with comments will become part of the public record and may be released under the Freedom of Information Act. Comments must be within the scope of the Proposed Action, and include supporting reasons for the Responsible Official to consider. The Responsible Official for this project is M. Earl Stewart, Forest Supervisor, Tongass National Forest.

Written comments for the Responsible Official may be submitted via mail, other delivery service, electronically, fax, or in person to:

Carey Case

Central Tongass Project Leader, P.O. Box 1328, 12 North Nordic Drive, Petersburg, Alaska 99833
<https://cara.ecosystem-management.org/Public//CommentInput?Project=53098>
FAX 907-772-5995

Business hours for hand-delivered comments are Monday through Friday, 8:00 a.m. to 4:30 p.m., excluding holidays. Electronic comments shall be in a format that is compatible with the current version of MS Word.
