KEEP GARBAGE SECURED

Bear activity in town has picked up in the last few weeks and incidents of bears getting into garbage have been reported. Public Works would like to remind all Sanitation customers to keep garbage securely stored – preferably indoors - until the morning of collection day. If garbage cannot be stored indoors and must be stored in the garbage can, a rope or strap should be used to keep the lid of the refuse container securely closed. The lid should then be untied on the morning of garbage pickup day to allow it to be emptied by the Borough’s automated collection truck. Your cooperation is appreciated and will help reduce nuisance bear activity in Petersburg. Please contact Public Works at 772-4430 with any questions.
