

"IT'S THAT TIME AGAIN!"

Time to check your water service lines and water meter for proper insulation and heat tape connection. This will prevent your water lines from freezing and breaking this winter.

Your Water Department provides, at NO CHARGE, the service of shutting off and turning on your water supply to accommodate any water pipe maintenance or to repair broken pipes.

Hours for free call outs are 8 A.M. to 3:30 P.M. Monday through Friday.

If you would like suggestions on winterization or water conservation, please call the Water Department at 907-772-4760.
