**SEAPA ANNUAL SHUTDOWN
MAY 31 - JUNE 9, 2023**

In preparation for the annual hydroelectric shutdown, Petersburg Municipal Power & Light advises customers to conserve energy. **Customers are encouraged to conserve power May 15th through June 26th so the fuel adjustment charge will be minimized as much as possible. The less power customers use, the lower the fuel adjustment rate will be.**

Below are some tips to conserve energy to help lower kWh usage.

- Water heating can account for 14%-25% of the energy consumed in your home. Take shorter showers, don't run hot water continuously, wash clothes in warm or cold water. Turn down the temperature of your water heater to 115-120 degrees F.
- Run only full loads in your dishwashers and clothes washers.
- Turn off your computer monitor when not in use for more than 20 minutes and turn off both the CPU and monitor if you're not going to use your computer for more than 2 hours. Leaving a computer on all day can cost about 21 cents per day, or about \$75 per year.
- Unplug electronics and appliances that drain energy when not in use (i.e., cell phone chargers, fans, coffeemakers, desktop printers, radios, toasters, etc.).
- Unplug heat tapes and spare heaters now that temperatures are warming up.
- On average, more than half of a household's annual energy consumption is used on air heating and cooling. Using programmable thermostats to control heating and cooling systems can reduce costs. Turn off ceiling fans and open/close windows to help regulate temperatures in your home if programmable thermostats are not a current option.
- Lighting makes up about 10 percent of home energy costs. Replace burned out incandescent lights with compact fluorescent lights (CFLs) or light-emitting diodes (LEDs). CFLs can save three-quarters of the electricity used by incandescent. LEDs can save even more. Put away holiday lights and **turn off lights** during our long daylight hours!

PMPL thanks our customers for their understanding, support, and conservations.

**State of Alaska
Department of Natural Resources
Division of Forestry
Edna Bay Parlay Two Timber Sale**

Notice of Timber Sale under AS 38.05.945 & AS 38.05.035(e). The State of Alaska, represented by the Alaska State Forester of the Department of Natural Resources, does hereby notify that the Division of Forestry (DOF) is offering the following commercial timber sale for competitive sealed bid: Edna Bay Parlay Two (SSE-1342-2).

The DOF is offering the State timber sold under AS 38.05.120 as described and represented by the Edna Bay Parlay Two Timber Sale Forest Land Use Plan.

The Edna Parlay Two Timber Sale is located within the State Forest on Kosciusko Island, near Edna Bay, Alaska. The parcel is located on the south side of Kosciusko Island with limited road access. The sale includes approximately 340 acres in six units composed primarily of young growth timber with a residual component of old growth timber. The saw-timber proposed for harvest is Sitka spruce, western hemlock, and western red cedar. The sale is estimated to contain 8,434 MBF of young growth saw timber mixed with 2,216 MBF of old growth saw timber. Another 992 MBF of small log and (net) utility grade wood is estimated in the harvest units. The utility grade wood is optional removal.

The term of the contract is three years. The purchaser is required to deposit a performance bond with the State for an amount of \$100,000.00 at the time of signing the contract.

The Alaska Department of Natural Resources hereby gives notice that it is in the best interest of the State to offer this timber sale by a competitive sealed bid process. To qualify bidders must, prior to the bid opening, not be in breach of any prior timber sale contract, and must submit a copy of their current Alaska Business License. The Business License copy may accompany the sealed bid. The sealed bid shall be on forms provided by the Division of Forestry, marked on the outside of the envelope with the timber sale name and number, addressed to the Southeast Area Office, 2417 Tongass Avenue, Suite 213 Ketchikan, Alaska 99901 and will be accepted until 2:00 PM, prevailing time, June 19, 2023. Sealed bids may also be presented in person to the Southeast Area Forester before the bid opening. All bids must be in the physical possession of the Southeast Area Forester before bid opening. Bidders are responsible for ensuring their complete bid package is delivered on time.

For a bid to qualify, prospective bidders will be required to submit a 5% bid deposit of the total bid value. The State reserves the right to reject any or all bids. Unless all bids are rejected, the sale will be awarded to the responsible qualified bidder offering the highest total bid value for the timber on the sale. The State also reserves the right to waive technical defects in this advertisement in the best interest of the State. The minimum acceptable total bid price for the timber is \$513,588.00.

If bidding as an agent for an individual, partnership, or corporation, the agent must submit with the bid a notarized power-of-attorney authorizing such agency. No agent may represent more than one principal, or bid in competition with the agent's principal.

Petersburg Borough Siren Alert & Warning System (SAWS)

Siren Testing
First Wednesday of Every Month
at 12pm - 30 seconds, using a steady signal

The sirens — used to alert the public in the event of an emergency such as a Tsunami, Natural Disaster, Major Fire or Foreign Attack — located on the roof of the Syd Wright Auditorium located at Petersburg Middle School, the Mort Fryer Sports Complex (Base Ball Fields) and Bayview Estates (Hungerford Hill) may use different sounds and tones to alert the public of different emergencies. Here is what they could sound like:

Emergency Warning - Wail Tone This will be a 3-5 minute wavering (warbling in pitch) tone or siren. The "Emergency Warning" signal should mean to all people that a danger is imminent and protective action (Evacuate, go to high ground or take shelter, depending on the emergency) should be taken immediately. Turn on your radio and listen for essential emergency information, keep telephone use limited to emergency contact, do not call 911 to ask about the sirens. The "Emergency Warning" signal shall be repeated as often as deemed necessary by local government authorities to obtain the desired response by the population.

Attention/Alert - Steady Tone A 3 – 5 minute steady signal from sirens. This signal may be used as authorized by city officials to alert the public to potential emergencies, where the public may face danger in the near future, such as under a Tsunami or Earthquake Advisory, in addition to any other meaning or requirement for action as determined by Borough officials. The Attention/Alert Signal should mean to all people, "Turn on radio or TV, keep telephone use limited to emergency contact only. Listen for essential emergency information, Be prepared to act."

Local Fire Alert - Wail Tone This will be a 30 second wavering (warbling in pitch) tone or siren. The Local Fire Alert is only to be used in cases of major fire, where multiple structures are endangered, initial responders are over-welcomed and additional help is needed from reserve units, or abnormal events such as a plane crash or other accidents that require many more responders. The "Local Fire Alert" signal should mean to all people that an active Fire response is ongoing, affected areas should be avoided and routes leading to the scene should remain clear. Turn on your radio and listen for additional information, do not call 911 to ask about the sirens. The "Local Fire Alert" signal shall be repeated as often as deemed necessary by local government authorities.

**PUBLIC NOTICE
PETERSBURG BOROUGH
INVITATION TO BID**

Notice is hereby given that the Petersburg Borough will receive sealed bids for the SEWER LINE REPAIR – PETERSBURG COMMUNITY CENTER. The project generally consists of the removal and replacement of sewer line beneath indoor concrete slab floor and into adjoining rooms with plumbing fixtures, as needed. The work will be done indoors with said portion of Community Center closed to the public for duration of project. Approximately 200' of sewer line to be replaced. All building and room finishes are to be saved and replaced as found. Floor finishes will require new and old replacement. The existing excavated material will be stored in the east yard of the project parking lot. This excavated material will be reused in the fill, minus any unsuitable material.

The estimated construction and replacement cost for the base bid is approximately \$415,000. All Work must be completed by September 15, 2023.

Sealed bids will be received by the Petersburg Borough, Post Office Box 329, Petersburg, Alaska 99833, located upstairs in the Municipal Building, 12 South Nordic Drive, Petersburg, Alaska 99833 until 2:00 p.m. prevailing time on Friday, June 16, 2023 at which time the bids will be publicly opened and read aloud in the Assembly Chambers Conference Room.

The Contract Documents may be obtained from the Petersburg Parks and Recreation Office, located at 300 N. Third St., Petersburg, Alaska 99833 (907) 772-3392. A non-refundable fee of \$30.00 made payable to the Petersburg Borough is required for each set of contract documents. Additional charges will be required for special handling or delivery of the documents by means other than first class mail. The Contract Documents may also be downloaded free of charge on the Petersburg Borough website (www.petersburgak.gov) under the sections "How Do I?" then "Bids and RFPs". Downloading Contract Documents from the Petersburg Borough website requires completing a bid advertisement form to receive changes or addenda. Failure to fill out the form may adversely affect your proposal. It is the Offeror's responsibility to insure that they have received all Addenda affecting this Solicitation.

Petersburg Standard Specifications (CPS) are available for an additional fee of \$60.00 made payable to the Petersburg Borough or available for free on the Borough's website www.petersburgak.gov. Additional charges will be required for special handling or delivery of the documents by means other than first class mail. All documents may be obtained at the Parks and Recreation office.

Prospective bidders are encouraged to attend a Pre-Bid Conference that will be held in Petersburg on Friday, June 02, 2023, from 1:00 – 2:00 PM at the Assembly Chambers. Attendance by teleconference will be available by calling 1-800-315-6338. Callers will need to enter the following access code: #45191. Technical questions regarding this project may be direct to the Parks and Recreation Director, Stephanie Payne, (907) 772-5445. She is located at the Petersburg Community Center Aquatic Office, located at 300 N. Third Street, Petersburg, Alaska.

Each bid shall be accompanied by a bid bond, cashier's check or certified check made payable to the Petersburg Borough in the amount of five percent of the total bid price.

The Petersburg Borough reserves the right to reject any or all bids, to waive any informality in a bid, and to make award to the lowest responsive, responsible bidder as it may best serve the interest of the Borough.
