

The most popular VISITOR GUIDE IN S.E. ALASKA

Comments from Visitors: *As of 11/17/16*

- "It's the only guide that lists bathroom & shower locations in S.E."
- "The guide tells about the history of the town."
- "The guide is not just all ads on every page like the other guides."
- "I read the guide from cover to cover before I got here and really learned a lot about your town."
- "I like your map with the walking tour."
- "I like that you have walks close to town with the time it takes to walk them."
- "The article about the high school measuring the glacier was very interesting."

Make sure your business is represented in the 2019 edition that is available world-wide in print and on-line.
